

White Swan Row 2011

Continue the ancient tradition!

Join the annual row up the river to the White Swan pub for lunch:

Sunday 5th June

Meet at 11a.m. at the club

(High water 1:52 p.m. to 3:41 p.m)

If you haven't done it before then you have to try it!

- Get all the fine old wooden rowing boats rowing side by side
- Entertain the crowds as we carry them over the road at Woodmill (picking up ice creams to refuel as we pass)
- Drift with the ducks amongst the trees and reeds in the beautiful upper Itchen—forget “Wind in the Willows” and “Three men in a boat”—this is the real thing!
- Watch the punters faces as we arrive by water for much-earned grub and liquid refreshment at the White Swan.
